Deferred Admissions Policies

1. Students who have been approved for deferred admission must submit a $250 tuition deposit by August 1, 2016.

2. Deferred admission may be requested for one or two years.

3. Students who have been approved for deferred admission must submit a final official high school transcript certifying graduation by August 1, 2016. Deferrals are conditioned upon successful completion of all senior courses.

4. During the deferral period, students may not take any college courses. Enrollment in any college courses, even if not completed, will nullify the deferral and the student will forfeit the tuition deposit.

5. Upon planning to enroll, the student must confirm with the admissions office that s/he has not attended another college or university while on deferral. It’s recommended this be submitted at least three months prior to the semester start date. You will not need to pay a new tuition deposit, the tuition deposit you paid in upon initial admission will be applied.

6. Admission to the Westminster Honors Program may be deferred on a case-by-case basis.

7. Merit scholarships will also be granted deferred status and students who have been approved for deferred admission will be re-considered for merit scholarships based on the current programs at the time of enrollment. This ensures students will receive the most advantageous merit scholarship upon enrollment. The following scholarships are automatically deferred for any student who is approved for deferred admission status:

   • Westminster Presidential Scholarship
   • Westminster Dean’s Scholarship
   • Westminster Founder’s Scholarship
   • Westminster Horizon Scholarship
   • Westminster New Scholar Scholarship
   • Westminster Success Grant
   • NCSSMST Scholarship and Grant

8. Other scholarships such as athletic scholarships, music, and theatre scholarships cannot be deferred. Students may request to be considered for these scholarships upon re-reinstatement of admission.

9. Need-based financial aid that is awarded based on the Free Application for Federal Student Aid (FAFSA) cannot be deferred. Students should complete the appropriate FAFSA form upon reinstatement of admission.
