**Strong Interest Inventory (SII)**

The Strong Interest Inventory (SII) is an online questionnaire-style assessment. **

It is designed to help you determine your interests and how they relate to your career and academic choices.

Questions the SII can help answer:

- What are some career choices that might interest me?
- How can I go about choosing a major?

This assessment can help you:

- Identify career options and appropriate education and training relevant to your interests
- Understand aspects of your personality most closely associated with your interests
- Determine your preferred learning environments
- Use interests in shaping your career direction and focus for the future

What you get when you take this assessment:

- Strong Interest Inventory/College Report (14 page report)
- Hexagon/Four Interest Areas Model (supplemental SII information)
- One-On-One discussion with a Career Center advisor
