

Westminster Internship Program Who Should Complete an Internship?

While almost all Westminster students would benefit from completing an internship it is not required by all majors.

Gore School of Business

All undergraduates (except for Flight Operations majors) are required to complete either an internship (___ 440), a practicum (___ 441), or the Professional Portfolio Class (___ 442). Most business students opt for the internship option but you should explore all three with your advisor or [internship coordinator](#).

School of Arts and Sciences

Undergraduates from the following majors are required to complete an internship:

- Arts Admin
- Communication
- Justice Studies
- Political Studies

Students from other majors within Arts and Sciences may choose to an internship as an elective. Please see [Jon Davis](#) in Career Resources for additional information.

School of Education and School of Nursing and Health Sciences

The Career Center does not administer internships for these two schools. Please explore internship possibilities with your academic advisor.
