# Medical & EAP Benefits

Westminster College's medical benefits are currently provided by *Altius Health Plans*.

You have the choice of 2 plans:

- Altius Peak HMO
- Altius Peak Advantage

Here is the link for the Altius provider network:

The Peak Advantage will cost you a little more in payroll deduction because you have a larger choice of "providers" – doctors, hospitals, etc. The HMO, still an excellent plan, will be the more cost-efficient plan, but you must use Altius participating providers in order to receive benefits (except in the event of an emergency or if you are traveling away from home). You have your choice of plans when you initially enroll and at each annual open enrollment.
