

## Winter at Westminster August '08 N

### The Vibe

The heat of summer arrived after an amazing winter and thankfully an extended spring. Skiing and snowboarding was open through mid-June this year! The summer in Utah has tons to offer as we wait for the snow to fall again in October. Check out summer's activities at our favorite resorts and local hot spots.

### Summer in Utah

Have you *rock climbed* in the Cottonwood Canyons yet? Only minutes from downtown Salt Lake, this world-renowned area is known for its steep granite faces with a wide range of sport and trad routes. Park City has some of the best *mountain biking* trails in the country. Check out the trail map online at <http://www.mountaintrails.org/>

Head out into the summer evening air and soak in the *free live music* at the Twilight Concert Series downtown and at The Canyons Resort. See who's playing at <http://www.slcgov.com/Arts/twilight/>

### 2009 W@W Program Activity Schedule

Besides getting two season passes at The Canyons and either Alta or Snowbird, you will also experience many winter activities such as biathlon, yurt camping, and Level 1 Avalanche Training. We also have internships available for those of you who want to get your foot in the door, and guest lectures from the best professionals in the outdoor industry!
