

Winter at Westminster October '08 Newsletter

The Vibe

The season has already started out west. You can look up at the Wasatch Mountains and see snow-covered peaks. The backcountry die-hards have made their first tracks. Get your boards and skis tuned up and come out for Thanksgiving Break. Check out the snow for a weekend and we know you will want to come back for a whole semester!

Partner Updates

The Canyons - Opening Day is Thanksgiving Day, November 27

The Canyons is the largest single ski and snowboard resort in Utah and one of the five largest in the U.S. You will get a season pass to ski all 3,700 skiable acres, including a sweet terrain park!

Outside Magazine names Alta/Snowbird the top ski destination in North America based on snow quality and terrain!

Alta & Snowbird – Opening Thanksgiving Weekend

With your second season pass, you will be skiing at Alta or Snowbird every day this winter. Coming off a 700 inch season, the forecast is looking good for the 08-09 season!

W@W Internship Opportunities

We have some fantastic internships lined up for those of you who are interested in networking in the outdoor industry. You can earn college credit and gain valuable experience at companies such as Backcountry.com, The Canyons, Black Diamond, Utah Ski & Snowboard Association, Friends of Alta, Cottonwood Canyons Foundation, Swaner Nature Preserve, & Voile. View job descriptions online at www.winteratwestminster.com under "internship information."

W@W Video Contest

Last year's W@W students combined amazing skiing, snowboarding, and filming skills to create some fantastic clips to compete in a video contest. We are doing the contest again this year and looking forward to another round of awesome footage! Prizes will be donated by our sponsors: Dyanstar, Backcountry.com, and Spyhop Productions. You can find all the videos on You Tube by searching for Winter at Westminster.

W@W Activity Schedule

There is more packed into the Winter at Westminster semester than you can possibly imagine – backcountry skiing and snowboarding, yurt camping, snowmobiling, Level 1 Avalanche Certification, guest lectures from outdoor industry professionals, and much more. Check out the full activity calendar and get complete details about lectures and internships at www.winteratwestminster.com.
