

Winter at Westminster September '08 N

The Vibe

Snow has already fallen in the Wasatch Mountains and we are ready for the skies to unleash 500 inches of the lightest most beautiful powder in the world! Yes, the summer sports are still on and we enjoy them, but we all know that skiing and snowboarding are the true loves of our lives!

W@W and the Resorts

We are partnered up with three of the best winter resorts in Utah: The Canyons, Alta, and Snowbird. You get two season passes with the program. That's right! All W@W students get a pass to The Canyons. The resort has 3,500 acres of skiable terrain, 3,190 vertical, easy access to the backcountry, and a fantastic terrain park! Check it out at www.thecanyons.com.

Then choose between Alta www.alta.com and Snowbird www.snowbird.com for your second pass and spend every day on the slopes. It's the most incredible way to live the ski bum lifestyle and still be a time student!

W@W Activity Schedule

You don't just get two season passes and a great academic education. There is more packed into your Winter at Westminster semester than you can possibly imagine. You will hit every local resort, get your Level 1 Avalanche Certification, ride the Olympic bobsled track, spend an afternoon snowmobiling, experience the winter backcountry, camp out in a yurt, and meet tons of professionals in the outdoor industry! Check out the full activity calendar at www.winteratwestminster.com.
