Constitution Day

Constitution Day commemorates the formation and signing of the U.S. Constitution on September 17th, 1787, recognizing all who, are born in the U.S. or by naturalization, have become citizens. Americans are encouraged to attend parades, speeches, museums and participate in activities that celebrate the U.S. Constitution.

   Happy Constitution Day!! 226 years and still going strong.

   When our founding fathers decided to change the course of history, they did it right.
